Mrs. E. Manley,
Newark, N.J.

Dear Mr.s Manley,

Enclosed find copies of letters in connection with the Newark Eagles VS Cuban Stars game in Alabny, N.Y. on Sunday afternoon July 14th.

You folks will have to take care of the Rain Insurance and the tickets for the game.

I am sending the Cuban Star mats and line-up off to Mr. Conners and I wish that you would get yours off to him at once.

Also let me know if you are going to use your League umpires or if you want me to have local men ready. Dont forget to bring the baseballs.

All expense to be the same as the last game except Roy Sparrow. I think it may be advisable to send Sparrow to Albany to look after things but you had best decide this between yourselves. With one of your men there it would be best so that he will know everything is going along OK. I think his expense is reasonable for the time put in. Let me know if you want me to make arrangements with him or you can get in touch with him directly.

Very truly yours,

CC: ALEX POMPEZ.
